

JOIFF TEAM LEADER

Duration

5 days

Overview

This course provides the knowledge, understanding and practical skills to enable the Crew Team Leader, in the presence of one or more hazards and the risks to safety that they pose, apply suitable, effective control measures to eliminate or reduce the risk to an acceptable level.

Competences and Skills Required

Certificate of Competence of the JOIFF 3 Day Fire fighter (Initial) or JOIFF 2 Day Fire Fighter (Re-validation)

Learners must be physically fit to participate in all aspects of the training.

Aim

This course is designed to meet the initial training and assessment requirements for a Crew Team Leader as identified in the JOIFF guidelines.

Learning Outcomes

The learning outcomes are:

1. The delegate will have a better understanding of Leadership and the role of the Team Leader.
2. The delegate will have a better understanding of Delegation and control of the Fire Team/s.
3. The delegate will have a better understanding of Briefing and De-Briefing of the Fire Team/s.
4. Assess an incident, implement appropriate procedures tactics and techniques.
5. Control and direct an incident incorporating communications
6. Ensure the correct selection and operation of fire fighting equipment
7. Assess the need for back up teams and stock piling of equipment
8. Ensure that equipment is replenished, serviced and re-sited on completion of use.

Assessment

Assessment by written questions, direct observation and simulation

Certification & Accreditation

On successful completion of the training, delegates will receive a JOIFF Certificate of Competence
